

Franco Buzzi Memorial Scholarship

As every year, the Franco Buzzi Memorial Scholarship offers deserving and talented young people the opportunity to attend one of the most prestigious MBA programs in the United States.

Description

Every year Buzzi Unicem awards two scholarships to the sons and daughters of employees (and former employees) from all of the group's countries, and to young people who graduated from high school in Casale Monferrato, in order for them to attend a Master in Business and Administration program at the following leading US universities:

- McCombs School of Business - University of Texas, Austin;
- Smeal College of Business - Penn State University (Pennsylvania);
- Kelley School of Business - Indiana University, Bloomington;
- College of Business and Economics - Lehigh University (Pennsylvania)¹.

The chosen Masters are full-time programs, lasting 2 years, which Buzzi Unicem will finance entirely, guaranteeing the student coverage not only of school costs, but also of standard ancillary costs such as travel, accommodation, insurance.

The requirements of potential candidates relating to their qualifications, level of knowledge of English and analytical skills are set by each university and listed in the admission criteria. Additional appreciated characteristics are: determination, result orientation, intellectual and communication skills, integrity, maturity and interest in the community.

With a view to transparency and meritocracy, Buzzi Unicem will in no way interfere with the candidate evaluation and selection process. In fact, applicants will be able to submit their application only online and the process will be entirely managed by the chosen university.
